Additional Information:

This Certificate replaces Certificate Number DQAS-27/11-OSL003 issued by QinetiQ under notified Body number 0191.

Conditions of Validity:

This issue of the Annex to the referenced Marine Equipment Module D Certificate relates to Issue 06 of the Certificate.

The References to Module B Certificates relate to the issue of the Module B Certificate valid at the time of issue of this certificate and any later issue of these certificates within the validity dates of this Module D Certificate.

This Certificate is also valid for any later issues of the listed Module B Certificates unless specifically stated otherwise.

This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with an EC TYPE EXAMINATION (MODULE B) CERTIFICATE appropriate to one of the item designation types listed above to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with TUV SUD BAPT

The manufacturer must immediately cease affixing the "Mark of Conformity" on any product subject to suspension, termination, expiry, withdrawal or revocation of the supporting EC Type Examination (Module B) Certificate.
