#### **Requirements:**

SOLAS 74 Convention as amended, Regulations V/23, X/3 IMO Res. A.1045(27) amended by Res. A.1108(29) IMO MSC.1/Circ.1428 ISO 799-1:2019

BUREAU

VERITAS

This certificate is issued on behalf of the French Maritime Authorities to attest that Bureau Veritas Marine & Offshore did undertake the relevant type-examination procedures for the product identified above which was found to comply with the relevant requirements of the Directive 2014/90/EU of the European Parliament and of the Council of 23 July 2014 as transposed in the French Regulations.

## This certificate will expire on: 07 Jun 2029

For Bureau Veritas Marine & Offshore Notified Body 2690, At BV PIRAEUS, on 07 Jun 2024, Spyros KONTOULIS

This certificate was created electronically and is valid without signature

This certificate does not allow to issue the Declaration of Conformity and to affix the mark of conformity (wheelmark 🕥) to the products corresponding to this type. To this end, the production-control phase module (D, E or F) of Annex II of the Directive is to be complied with and controlled by a written inspection agreement with a notified body.

This certificate remains valid until the date stated above, unless cancelled or revoked, provided the conditions indicated in the subsequent page(s) are complied with and the product remains satisfactory in service. This certificate will not be valid if the applicant makes any changes or modifications to the approved product, which have not been notified to, and agreed in writing with Bureau Veritas Marine & Offshore. Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be re-approved prior to it/they being placed on board vessels to which the amended regulations or standards apply. Bureau Veritas Marine & Offshore is designated by the French Maritime Authority as a "notified body" under the terms of the French Regulations Division 140 Chapter 140-2. This certificate is issued within the scope of the General Conditions of Bureau Veritas Marine & Offshore available on the internet site www.veristar.com. Any Person not a party to the contract pursuant to which this document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in establishment or issuance of this document, and in connection with any activities for which it may provide.

Туре	Number of Steps	Length in metres		
PILOT LADDER TD3m*	61	20.00		
PILOT LADDER TD33cm - L9m*	61	20.00		
* Test report " Lalizas Pilot Ladder 001" dated 30/04/2024				

Test report " Lalizas Pilot Ladder 001" dated 30/04/2024

## 4. APPLICATION / LIMITATION :

- As per requirements stated on front page of this certificate.
- Each product is to be supplied with its instructions for use, inspections and on-board maintenance complying with requirements stated on the front page of this certificate.
- This certificate does not prejudge of any requirements additional to those stated on the front page that may be required by National Maritime Authorities for equipment to be fitted on board ships entitled to fly its flag.
- Maximum length of Fully assembled ladder shall not exceed the fully assembled ladder of longest length tested (§3 Test . Reports).
- Where a manufacturer allows replacement steps to be fitted, the manufacturer shall supply instructions for fitting replacement steps and/or spreader step.
- Pilot ladders with special over dimension lengths (over 36 steps) can be also accepted upon the approval of relevant departments, such as the ship owner and designers.

#### 5. PRODUCTION SURVEY REQUIREMENTS :

5.1 - This certificate alone does not allow the applicant to issue the Declaration of Conformity and to affix the mark of conformity (wheelmark) to the products corresponding to this type. To this end, the production-control phase module D Production Quality Assurance or module E Product Quality Assurance or module F Product Verification of Annex II of the Directive is to be complied with and controlled by a written inspection agreement with a Notified Body.

Each Pilot Ladder intended to be fitted onboard a ship registered to a National register adhering to the Directive shall be delivered with a Declaration of Conformity.

5.2 - For information concerning the production phase modules, LALIZAS HELLAS S.A. has declared the following manufacturing site:

#### LALIZAS HELLAS S.A.

15, 28th October Str., St. Ioannis Rentis,

18233 Athens, Greece

#### 6. MARKING OF PRODUCT :

The bottom of the top step and the bottom of the lowest spreader step of the ladder shall be marked with :

- the name and address of the manufacturer,
- the manufacturer's model designation,
- "ISO 799-1" and "SOLAS"
- the year of assembly or reassembly of the ladder,
- identification of the approving maritime safety administration, along with any approval indications required by that administration.
- Reference is made to MED 2014/90/EU chapter 2. In particular Article 10.3 specifies that the wheelmark shall be followed by the identification number of the Notified Body involved in the production control phase (module D, E or F) and by the year in which the mark is affixed (4 digits or last 2 digits).
- A permanent marking provided at regular intervals (e.g. 1 m) throughout the length of the ladder in order to facilitate the rigging of the ladder to the required height.

The bottom of each replacement step shall be marked with

- the name and address of the manufacturer,
- the manufacturer's model designation,
- the words "REPLACEMENT STEP ONLY",
- "ISO 799-1" and "SOLAS",
- the year of production of the step,
- identification of the approving maritime safety administration, along with any approval indications required by that administration.

In pursuance of the EU/US MRA+, and in accordance with the Council Decision 2004/425/EC of 21 April 2004 amended by Decision 1/2023 of 26 May 2023, the product(s) marked as per MED 2014/90/EU may be marked with the USCG conformity marking as authorized by the Notified Body undertaking surveillance module.

## **<u>7. OTHERS :</u>**

It is **LALIZAS HELLAS S.A.** responsibility to inform shipbuilders or their sub-contractors of the proper methods of fitting, use and general maintenance of the approved equipment and the conditions of this approval.
